

my name is Sacha Lancy I am here on a measure
it according to D.A Rod underhill but according
to oregon statutes that was passed
I was and am not a criminal there seems
to be a big discrepancy in interpretation of
offensive/unlawful act and Defensive or there
is a deliberate indifference in understanding
of how to prosecute someone who defended self
according to oregon state statutes approved
by legislation and further more the D.A
Rod underhill is illegally prosecuting
hundreds of people that are innocent of assault it's
and maliciously sending them to prison
for exercising a statute approved by legislation
in oregon in regards to use of physical force
Deadly force, Self + Defense with weapon
is not a criminal offense when done
to protect self the bar has been notified
of misconduct the federal government
has been notified of misconduct
legislation now notified of misconduct
of Rod-underhill beg you to please
act on this info on behalf of hundreds
of innocent people thank you write soon
