Dear Oregon sentors

Im Adasyn Lovel and I think my mom ‘Chelsea Lovell’ should get out of prison early because she missed out on all the fun things me and my family did together and I also miss her

Another reason is. My family misses her and I haven’t gotten to see her in a looooooooooooooonnnnnnnnnnng time. Plus we can never get to the video visits to work. If she would of gotten out in 10 years I would be 19 years old. If she gets out in 6 years I would 15 years old. I love her soooooooooooooooooooooooooooooooooooooooooooooooooooooooooooo much and I don’t want her to be gone for 10 more years

I hope this is a good letter and I hope my mom will get out soon.
