

Honorable Senate Rules Committee Chair Senate Majority Leader Rob Wagner, Vice-Chair
Senate Republican Leader Fred Girod and committee members,

I oppose SB 313,

Directly it fundamentally changes our political parties from a grassroots organization controlled by the will of the people to a top down political party where it is more difficult to see whom is in control of the party.

“We the people” is our basis in government. We need the county parties functioning representatives of the local elected PCPs controlling whom becomes delegates and the controlling members of the state central committees.

Thank you for considering my testimony.
