

I STRONGLY OPPOSE [HB 3291 (-1)].

[HB 3291 (-1)] could easily compound the issues of fraudulent vote counting and or not even counting all of the votes.

The safe way to vote is through a system of voter identification and voting in person.

Repeal the Motor Voter Registration.

DO NOT PASS [HB 2499].

VOTE "NO" on [HB 3291].
