Re: Support Right To Rest Act HB 2367

Dear Chair Bynum,

In 2017, youth experiencing homelessness in Portland created [Rest, Not Arrest](#), a film to support the Right to Rest Act.

It is as relevant today as when it was made.

We invite you to take 5 minutes to watch [this](#) powerful and timely film and make the bold and righteous step of supporting the people who need it the most.

Sincerely,

Nili Yosha
