

I am writing to support SB5555 which will help provide the following services to East Lincoln County. 1) Enhance 911 response to HWY 20 corridor that 18000 people use on a regular basis, nearest response 12 miles away from Toledo. 2) Point of distribution and communication for major emergencies like Cascadia or wildland fires. 3) R/R for OSP, County Sheriff, Forest service and ODOT personnel. 4) OSU intern program for future EMS and Firefighters. 5) District administration headquarters.
