

Dear House Committee On Rules,

Please vote no on SB 554. Leave our constitutional rights alone. There is a global blatant attack on rights going on now and it is the real pandemic. Maybe all we need is 2 weeks to flatten that curve? Respect what the forefathers fought for, which gave you and I a comfortable life. Vote no on sb 554. We are all in this together, do your part and vote no on sb 554. Thank you.
