

What is wrong with you dumocrats? You are trying to put this through and you are thugs destroying the my rights to protect myself and my wife. We are in our upper 70's and with the illegal migrants running lose on our streets we can not carry any thing to protect our selves. You can not even STOP the riottors in Portland. I have a doctor in Portland I have not seen her for over a year because of the violence. When I was going to her infusion center I carried concealed and so were some of her nurses.
PLEASE DO NOT PUT ANY MORE LAWS AGAINST LAW ABIDING OREGON CITIZENS--YOU ALL ARE SO WRONG THINKING THIS OR ANY GUN LAW WILL STOP THUGS ---YOU ARE WRONG
