

To whom this may concern,

I'm writing this because I feel we Oregonians are doing our best to protect our love ones by all means. Having the Ability on having a concealed licence is Protection. Example, if your in a Situation by a government Office or in the building ,there's a shooting going on, you as a Oregonian with a concealed licence have the ability to take the shooter out and save lots of intense of lives. If Bill 554 passes , in my Believe your the killer!! It's gonna allow the bad guys the ability knowing there's no Oregonians with concealed weapon around those buildings to protect you an intense Oregonians. So really look at the bigger picture. I oppose Bill 544 thank you
