

I have lived at Harbor Village almost 6 years and have worked in the office for over 5 years in the weekends. I know all of the tenants and like me this is our home. We decided to live here for the reasons of safety and the family atmosphere. Most of us are seniors and the idea of us not owning the park is beyond any of us can deal with. We want to be able to live our lives out here with no fears if loosing are home.
Please help us achieve this park and our home
