

Hi I have lived at Harbor Village in Newport, Oregon for 4 years I am a disabled widow on a limited income. I have no family the people here are my family and I have nowhere else to go and am scared that if CASA can't get us the money we will be kicked out. Please help us I know we qualify for 6.4 million and could use this to help keep our rents affordable and we will be able to purchase the park and turn it into a co-op and have a safe place to live please help
