

Help on the Coast

Greetings,

My name is Daryl LeClerc and my Wife, Chastity and I have lived at Harbor Village Mobile Home and RV park for almost four years. This park is home to around 400 residents. With no lottery bonds this year we are at great risk of getting our rent raised by more than 30% or losing our place to live altogether. The housing needs in Newport are great, there simply would not be a place for these residents to go causing masive displacement. If there was ever a good reason to find the money in the budget and allocate the funds, this is it. We are mostly working class working for a better future and low income residents on SSI.

Thank you for reading.
