Dear House Committee on Economic Recovery and Prosperity,

I'm writing to urge you to vote YES on HB 3010 pertaining to diversity, equity, and inclusion in incentivized Oregon media productions. It's important that the commitment to Diversity, Equity, & Inclusion be reflected in Oregon's policymaking.

I am and African-American film maker, a native Oregonian, and the founder of Laugh Cry Love Entertainment, a content development and production company based in Portland, Oregon. I intimately understand both the need and benefits of having a diverse crew. I also understand that change doesn't come from intention, but rather policy.

Please vote YES on HB 3010 to encourage diversity, equity, and inclusion in our local production industry. It's a step in the right direction.

Sincerely,

Ime N. Etuk
