

HB 3073: Early Care and Education Governance & ERDC

April 27, 2021

KATE BROWN
Governor

ALYSSA CHATTERJEE, DEPUTY EDUCATION POLICY ADVISOR, GOVERNOR'S OFFICE
COLT GILL, OREGON DEPARTMENT OF EDUCATION DIRECTOR
MIRIAM CALDERON, EARLY LEARNING SYSTEM DIRECTOR
CLAIRE SEGUIN, SELF SUFFICIENCY PROGRAMS DEPUTY DIRECTOR, ODHS

GOVERNOR'S VISION

A consolidated child care sector and unified publicly-funded early care and education.

- A strong, centralized early learning system for Oregon's children and families that
 - Supports Family Friend and Neighbor, Regulated Subsidy, Registered Family, Certified Family, Certified Center, Out of School Time, and publicly-funded preschool programs under one agency;
 - Is poised to support growing funding and expansion opportunities from both the state and federal levels.
- Clarified and aligned authority, accountability, and responsibility of the Early Learning Council, Early Learning System Director, and Early Learning and Care Department.
- Coordination and alignment of early learning programs across agencies and governing bodies.

HB 3073 PURPOSE

Create the necessary structure and leadership systems to:

- Ensure that every child in this state is given the best opportunity to succeed in school, work and life by providing high-quality early childhood education programs for children from birth through five years of age and child care for children from birth through 12 years of age; and
- Administer laws and perform functions related to early childhood to ensure that children enter school ready to learn and families are healthy, stable and attached.

EARLY LEARNING DIVISION HISTORY

Legislature in ORS 326.111. ODE is administered by a Superintendent of Public Instruction, which is the Governor; however, the Superintendent, by statute, appoints a deputy as a delegate to administer the Department.

In 2013, HB 3234 established the Early Learning Division (ELD) in ODE.

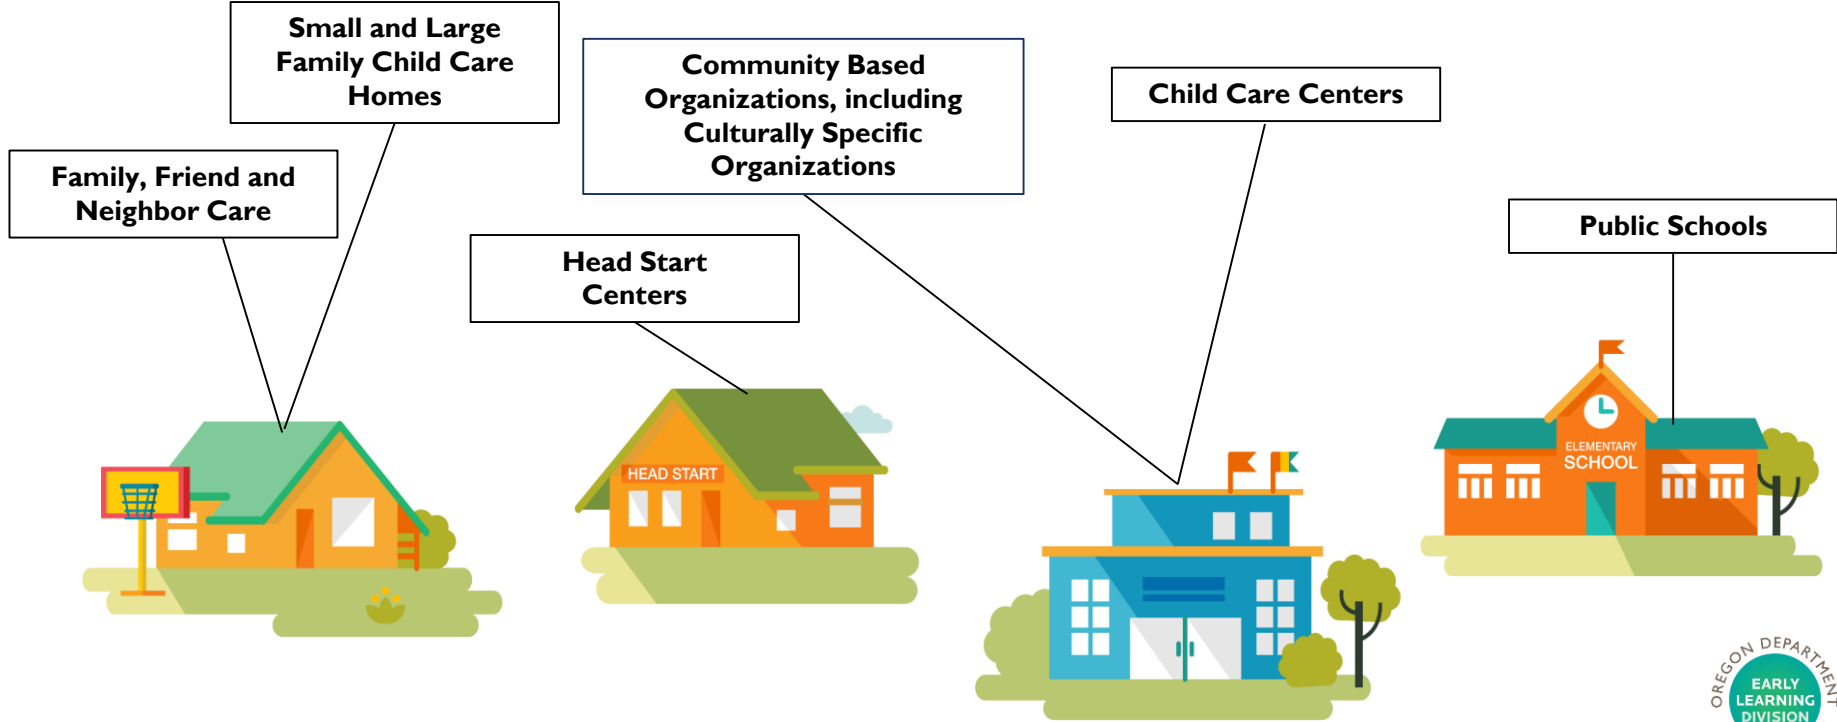

The Governor appoints both the Early Learning System Director and ODE Director to lead their respective sectors within the agency framework of ODE.

WHAT DOES HB 3073 DO?

- Establishes the Department of Early Learning and Care
- Details Duties, Function & Powers of the Department of Early Learning and Care
 - Codifies the authority of a standalone agency
 - Moves existing Early Learning Division programs into the new Department of Early Learning and Care
- Outlines additional Employment Related Day Care (ERDC) eligibility criteria and implementation dates
- Moves ERDC from Oregon Department of Human Services to the new Department of Early Learning and Care
 - Full implementation by June 30, 2023
- Requires legislative progress reports
 - September 2021 (ELD)
 - December 2021 (ODHS)
 - September 2022 (ELD)
- Aligns Early Learning System Goals (HB 2262; 2019)
- Updates State Interagency Coordinating Council membership
 - Strengthens coordination between K-12 and early learning systems

VISION: Unified Early Education and Child Care System Delivered in Diverse Settings

WHAT IS ERDC?

- Provides access to stable child care where children can learn and grow
- Supports school readiness and school success
- Helps families confidently re-enter the workforce
- May be the last program benefit families receive as they become self-sufficient

FUTURE

- Utilize recommendations from the Joint Task Force on Access to Quality Affordable Child Care to continue program improvement
- Further alignment between the Early Learning Division/Department of Early Learning and Care and ODHS
- Building on the strength of both systems
- Lowering costs for families
- Align ODHS provider payment practices with provider billing practices
- Streamlining connections to other benefits for families

HOW DOES HB 3073 CHANGE THE ERDC PROGRAM?

Apart from moving the Employment Related Day Care program to the Department of Early Learning and Care, HB 3073 would make the following changes to the ERDC program:

By October 1, 2021

- Caps family co-pays at 7% of the household income
- Requires provider payment based on enrollment, not attendance.

By June 30, 2023 based on the recommendations of the December report.

- Expands basic eligibility requirements and 12 month program eligibility
- Uses the true cost of care rate methodology for provider reimbursement rate setting
- Allows for a variety of financial incentives for special services

SUPPORTING THE PROCESS: **OVERARCHING TIMELINES**
