Gentlemen:

I am writing in reference to reviewing Measure SB 5555 which is to be discussed at 1 PM on April 24, 2021. I am in favor to receive a portion of the 2 billion dollars received by the State of Oregon to go towards urgently needed repairs at the harbor in Depoe Bay.

My husband and I have called Depoe Bay home for over twenty years. Part of the charm of the city is our harbor. I see it as an absolute necessity to have a safe environment for my family and for all.

Depoe Bay was awarded the Best Harbor in the United States last year. That is one more reason to make sure we hold up to that standard and keep our harbor safe.

Sincerely,
