

I support bill Hb2644 . I served from May 78 to Oct. 78. Cleaning up the Enewetak Toll . we worked 12 hours a day 6 days a week cleaning radioactive soil . We did the job we were asked to do. I think it's time we get get recognized as atomic vets . Hopefully we will be elagable for VA health care. For those who need it for illness caused by exposure to the radiation.

Sincerely

Sp4 James Patrick.
