Dear Chairs Girod and Holvey, and members of the Committee,

Thank you for allowing me to write to you today. My name is Carol Scillian. I live in Siletz and use the Greater Toledo Pool at least three times a week for lap swimming.

I am writing to ask for your support in funding the continuing efforts of the Greater Toledo Pool to provide the many people of East Lincoln County an area for exercise, social interaction and community.

People from as far away as north of Siletz, the Logsdan area and Eddyville come to the pool, sometimes daily, for these activities. Many of them are seniors, and have none of these opportunities in their areas. I, myself, find swimming laps something I can do rain or shine, and good mood or not it is something I look forward to every time.

Thank you for your time, and I hope that you will grant the request of funding for the Greater Toledo Aquatic and Community Center so that these activities and community opportunities may continue.

With regards,

Carol Scillian
