## Oregon Progressive Party Independent Party of Oregon

### Position on Bill at 2021 Session of Oregon Legislature:

#### **SB 312: Support**

Dear Committee:

The Oregon Progressive Party (OPP) and Independent Party of Oregon (IPO) support this bill, which would require the Department of Revenue to provide to the Legislative Revenue Officer information from the tax returns of C corporations with apportionment percentages under 100%. It requires the Legislative Revenue Officer to produce public reports from this information.

This bill will provide the public with information useful in evaluating the efficacy and fairness of the state's system of taxation.
