

Members of the Committee.

OFRI is a valuable community service to the residents of Oregon and beyond.

OFRI's work and state employees are highly respected, research driven and recognized around the country for quality, relevance and usefulness to both forest landowners and non forest owners.

DO NOT CHANGE ITS FUNDING STRUCTURE THIS WAY.

SUBFUND IS UNNECESSARY.

SUBFUND IS CRYPTIC AND BUREAUCRATIC.

THIS PROPOSED ACTION IS CLEARLY GOING IN THE WRONG DIRECTION TOWARD AGENCY ACCOUNTABILITY AND TRANSPARENCY.

Thank you for your consideration.
