

This written testimony is opposing of your unethical laws or committees trying to rid the capital and the house of one of the most hardworking individuals I've had the pleasure of knowing in the PEOPLES CAPITAL BUILDING! HE keeps you all accountable and on your toes and that's why your taking this to the extent you are . If he was democrat this would be a mute point ! He was voted in by the people this isn't your decision to make for us . You all have forgotten you work us the people of Oregon ! I support Mike Nearmen 1000% .
