

To the House Special Committee,

As a constituent, I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office. Rep. Nearman literally opened the door for violent, armed rioters to attack the Capitol and State Police while threatening lawmakers and Capitol staff.

Perhaps most importantly, he was caught on video planning the attack.

This man has an agenda that has no business in representing the people of the State of Oregon. He should be removed.

Sincerely,
Elizabeth Callison
