

Because of the reasons stated below, I feel Rep. Nearman is unfit to serve in any capacity and is a demonstrated threat to the safety and security of the people of the State of Oregon and the elected officials who serve them,

Therefor:

I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office.

Rep. Nearman literally opened the door for violent, armed rioters to attack the Capitol and State Police while threatening lawmakers and Capitol staff.

The members of this committee have a clear choice and a clear duty: Not only has Rep. Nearman been criminally charged for "unlawfully and knowingly" opening the door to rioters, the legislature's own investigation found he acted intentionally.

Perhaps most importantly, he was caught on video planning the attack.

His actions put people's lives at risk and resulted in injury to police.

The groups he let in have a long history of espousing racist, xenophobic and misogynistic views.

He does not deserve to be in office. To keep the Capitol building safe he needs to be removed from office per the Oregon constitution.
