

Dear House Special Committee Members,

Thank you for pursuing this investigation. Representative Nearman violated his oath to protect and defend the Constitution of the United States and the Constitution of the State of Oregon when he orchestrated an armed group entering the state Capitol for unknown reasons.

Not only that, he placed your lives and the lives of legislative staff members in danger. This kind of behavior is a cancer on civil discourse in the state of Oregon. And it violated your own rules.

If you don't vote to expel him, what kind of message will this send?

Expulsion is the only answer to this affront. Please remember that Representative Nearman is reveling in his fame as he revealed in a radio interview with Lars Larson.

Please end this debacle now.

Thank you for your time and your service to Oregon.
