

I STRONGLY urge the conduct committee to EXPEL Mike Nearman, who put legislators' lives in danger by letting domestic terrorists into the Oregon Capitol building. This conduct is unbecoming of a legislator and he MUST BE HELD ACCOUNTABLE TO THE FULLEST EXTENT OF THE LAW. He basically was a willing participant in an Oregon version of January 6th. This right-wing political violence and terrorism against our duly elected legislators is UNACCEPTABLE AND MUST BE PUNISHED, NEARMAN IS NOT FIT TO HOLD OFFICE IN ANY CAPACITY. Responsible people who do not endanger their colleagues' safety must be the only people we allow to sit in office. Do the right thing and EXPEL NEARMAN. Thank you
