

My name is Larry Duyck and I reside at 34203 NW Mountaindale Rd in North Plains, Oregon.

I am a blackberry, blueberry, grass seed, clover seed and wheat farmer.

I believe in Oregon's land use system and love the land, I oppose SB16!

What I understand about SB 16 is that it would allow up-to 100 new houses on farmland.

Why is Oregon Legislature working on rewarding 100 people with "McMansion" sites while Oregon is being overran with thousands of homeless?

Oregon Legislatures meet to address the priority problems in Oregon... homelessness is a continued priority problem, not taking farmland for mansions in Eastern Oregon.

I ask you to please OPPOSE SB 16.
