

I strongly urge the members of the House Special Committee on December 21, 2020, to support HR 3 and move to expel Rep. Nearman from office.. Rep. Nearman literally opened the door for violent, armed rioters to attack the Capitol and State Police while threatening lawmakers and Capitol staff. Most recently he was caught on video planning this event/
Rep. Nearman been criminally charged for "unlawfully and knowingly" opening the door to rioters, and the legislature's own investigation found he acted intentionally. His actions were reckless and put police and staff at risk. He needs to be expelled to send a message that this kind of behavior will not be tolerated.
