

Disorderly behavior by Nearman? The videos clearly show illegal ... ILLEGAL ... behavior. Felonious behavior. There is no choice other than to expel this seditious traitor from the Oregon House. So, I hope the bill can be amended to replace "disorderly" with "felonious" or "illegal", because Nearman endangered the lives of the officers who had to fight the terrorist that Nearman conspired with to invade the State Capitol. He also endangered the lives of everyone else in the building at the time he opened that door.
