Re: [SB 863]: Authorizes rural fire protection district to acquire real property or easement for purpose of establishing fire evacuation route, to construct or maintain fire evacuation route or to participate in agreement related to fire evacuation route.

I have concerned about "acquiring real property or easement..."

If the real property is donated and or sold-NO problem.

If the real property is acquired via eminent domain-I have a serious problem supporting [SB 863].

If the easement is donated and or sold-NO problem.

If the easement is acquired via eminent domain-I have a serious problem supporting [SB 863].

I fully support our Firefighting personnel!

But, when it comes to property rights-I am suspicious of government's intent.

i WILL GLADLY CONFER A TEMPORARY EASEMENT FOR THE EXPRESS SAFE FIRE-EVACUATION ON MY PROPERTY ONLY.

I OPPOSE [SB 863] AS WRITTEN...CLARIFICATION IS REQUIRED.
