Re: [SB 866]: "Permits municipality or Department of Consumer and Business Services to contract with person to administer and enforce building inspection program and act as building official."

Small jurisdiction simply cannot recruit and retain competent building inspectors due to revenue issues.

[SB 866] should not be limited to Building inspectors but to other government positions such as Planning , Public Works, City Manager and et cetera.

I SUPPORT [SB 866]!

Significant Liability Insurances and additional protections under the Oregon Tort Claim Act should be applied to [SB 866].
