

Please say yes to HB 5018

My name is Patty Bumbarger and I'm a liquor agent for store #1094 in Milwaukie. Being an agent for the State for 14 years, I have seen agent's fixed cost skyrocket. Government mandated policies (ex. taxes, minimum wage, and paid sick leave), rents, utilities, remodeling, and insurance costs have taken a large bite out of our personal investment in our stores. The commission amounts that are appropriated to agents have not been increased in 34 years.

The time is NOW to adjust inequities that currently exist and to help preserve and grow revenue for the State of Oregon.
Please vote YES!

Sincerely,
Patty Jo Bumbarger
