

I am strongly opposed to SB 554. I find it hard to believe this bill is seeing the light of day. This bill will not stop criminals from unlawfully using Firearms in any of the areas mentioned. It will only make criminals out of law abiding citizens. This is a feel good bill to silence the Sheepeople. I am being quite frank Here. I feel any real intelligent arguments will be ignored. SB 554 is a ludicrous bill and should be opposed. There are other gun bills that make some Sense but SB 554 is not one of them.
