

My name is Marie Wilcox, I have been the liquor agent in Huntington, Oregon ( Store 1204), for 25 years. I ask that you vote YES on HB 5018 to assist us small businesses that have been affected by all that has gone on over the last year with COVID. As others have stated, costs have gone up and we are continually expected to do more with less. Thank you for your time and consideration on this. Sincerely: Marie Wilcox Store 1204 Huntington
