Dear Honorable Members of the House Committee on Economic Recovery and Prosperity,

I urge you to **vote YES on HB 3010** pertaining to diversity, equity, and inclusion in incentivized Oregon media productions. It's important that the commitment to Diversity, Equity, & Inclusion be reflected in Oregon's policymaking.

Oregon has resident cast and crew members from numerous cultures, ethnicities and races, along with many motion media professionals who identify as members of the LGBTQ+ community. And yet visiting production companies often choose to work with only the most visible professionals, making it difficult for other professionals to participate in productions. In this case diversifying the workforce requires more than cheerleading from the sidelines; it requires regulation.

Please **vote YES on HB 3010** to encourage diversity, equity, and inclusion in our local production industry. I look forward to witnessing the change that comes about when this bill passes!

Regards,

Paul Bright
