Dear House Committee on Economic Recovery and Prosperity,

I'm writing to urge you to **vote YES on HB 3010** pertaining to diversity, equity, and inclusion in incentivized Oregon media productions. It's important that the commitment to Diversity, Equity, & Inclusion be reflected in Oregon's policymaking.

I am a queer short film maker and actor from Portland.

As I am also white, and this would potentially take gigs away from me. That is a GOOD thing as a sweeping majority of filmmakers and actors are white. This industry is wildly whitewashed. You can help change this.

Please **vote YES on HB 3010** to encourage diversity, equity, and inclusion in our local production industry. I look forward to witnessing the change that comes about when this bill passes!

Regards,
