**Re: I STRONGLY OPPOSE [HJR 11]...THIS IS A REALLY BAD IDEA!**

Same day registration to vote will open the flood gates of voting fraud.

Voter identification is needed and only permanent residents in Oregon should be allowed to vote here.

I want to see the end of "Mail in Ballots" for the same reason.

I can't trust the Postal Service.

In Yamhill County, I continuously receive other peoples mail.

*Respectfully submitted,*
