Re: I OPPOSE [HB 2485]...AS WRITTEN...Public Record Requests should be free!

I thank those for starting to lower the price for public record requests.

In Yamhill County, Public Record Requests are treated as a revenue source, a cash cow; which serves to thwart the entire Public Record Request Program.

Public Record Requests should be free unless they have so much information the Public Record Request must be placed on a CD or a Thumb Drive. The "Requester" must pay for the CD or a "Thumb Drive."

Oregon must completely "overhaul" the Public Record Request program!

Respectfully submitted,
