

Chair Prozanski, Vice-chair Thatcher

My name is Danny Krichevsky I am submitting the following letter to you in opposition to Senate Bill 554.

As a Lifelong resident of Oregon I urge you to oppose SB554 and any other anti-gun bills being considered.

SB554 would Make no difference to crime and safety, Just Unduly burden and make law-abiding citizens criminals and keep firearms away from them for various purposes such as self-defense, competition, and hunting.

Our founding fathers believed in the Right to Bear Arms and placed the Second Amendment in the Constitution.

Like George Washington said as quoted below, SB554 keeps citizens of Oregon from being able to " maintain a status of independence from any who might attempt to abuse them, which would include their own government." WHICH you are trying to do with SB554.

George Washington - "A free people ought not only be armed and disciplined, but they should have sufficient arms and ammunition to maintain a status of independence from any who might attempt to abuse them, which would include their own government."

Again, please oppose SB554 and any other anti-gun bills being considered. Thank you.
