SB554 is another bill to intimidate Law abiding citizens especially the ones having Concealed Gun Permits.. Would be extremely dangerous to carry a weapon outside your Home. I realize it is your euphoria to disarm the Population, your accomplishing that Marxist mandate very well. In Communist Countries people like yourself would be qualify for the Medal of HERO or HEROIN. The restrictions and or prohibitions are nothing more than to terrorize the citizenry. This is America the Land of the Free, is not China, Cuba, Venezuela neither another tyrannical Nation. Don't make America a cemetery. Communism or similar offer three things, Misery, Pain and Death. The Elite rules the Population obey.

SB554 goes hand to hand with other Gun Control Bill generated by the House. Which is to terrorize the Citizen for making defenseless at the hand of the Criminals and meat for tyrannical societies. SB554 is making every airport, public buildings, schools, universities and many others which qualify to be above the Law. You my respectables Senators are inciting to all those places enumerated in the Bill to disrespect the Constitution of United State of America 2nd Amendment... you are given to all those to create regulations at their will to create repression headquarters to commit abuses against the people who pay their salaries. This Bill has the same level of malignancy as the ones the mandates orders institutes in Communist society. Of that is the kind of system you enjoy.

I question the legality of SB554. FRAUD as defined by Webster's New Collegiate Dictionary, quote "intentional perversion of truth in order to induce another to part with something of value or to surrender a legal right" they refer as IMPOSTORS the ones to defrauds.

POLITICIANS, follow the Laws we have a tonnage of them. JUDGE:follow the Law don't massage the Law to accommodate your feeling. Last let the Law enforcement to do their job and SOCIALISTS, don't glorified CRIMINALS. It is sickening how they make criminals heros.

This Nation is Capitalist not Marxist,Socialist, Communist or any of other equivalent.
