

Dear Senate committee,

Please oppose SB554. This bill would be detrimental to the rights of our citizens as per the Second Amendment and would cause undue hardship for all concealed carry handgun licence holders by creating a mirade of useless laws that only punish the law abiding citizen. It would render a person's CC permit useless. If a person with a CC permit was traveling from a city that honors the permit to another city that does not, that person could charged with a crime. Please refer to the Constituion, 2nd Ammendment. Read it, understand it, and throw this bill in the trash where it belongs.
