Dear, Chair Prozanski, Vice-chair Thatcher

My name is Lynn Schreiner, Sherwood, Oregon and I wish to state my opposition to Senate Bill 554.

There are NO elements in Senate Bill 554 that will enhance public safety.

Oregon concealed-carry permit holders are not "random people," but individuals with Oregon's affirmative approval to carry a concealed firearm in public places. ANY person(s) intending to commit an unlawful act with a firearm in one of these "restricted areas" would give NO consideration to this law.

On the other hand, Bill 554 hits law-abiding Oregon CHL permit holders with increased fees, numerous "felony traps" with outrageous penalties for an innocent mistake.

Police defunding and increasing crime necessitates that law-abiding citizens be allowed to protect themselves and their loved ones – in all areas.

Thank you,  
Lynn Schreiner
