

This bill is simply a glorified gun control bill. I am absolutely opposed to it. I don't own a gun or even know how to use a gun, but I absolutely believe the constitution guarantees my or anyone else's right to carry a gun. If someone had carried a concealed gun at Umpqua Community College, that terrible tragedy would have been nipped in the bud. PLEASE do not let this measure get out of the committee. It is morally wrong. Sincerely, Sherrie Wieland
