

I write in opposition to SB 254, a bill that is both unnecessary and an affront to all of Oregon's law abiding citizens. Unnecessary because it is an unwarranted expansion of current law that seeks only to further restrict the rights of law abiding citizens while doing nothing to deter the unlawful possession and carry of weapons concealed or otherwise. An affront because it presumes malicious intent where none is known or should be presumed to exist. I refer you to the U.S. Constitution, 4th, 5th, 6th and 14th amendments. I urge you to vote no on this and any related bills that may be promulgated with regards to this matter in the future. Thank you for your attention and fair consideration of this matter.
