

My Name is Del Fox, USAF Veteran 1969-1996. Farmer in Dairy Oregon.
I OPPOSE SB 554 and any other Legislation which deprives me of my Constitutionally Guaranteed rights.
When a law seeks to take away my individual rights it leaves me defenseless against those who do not obey the Law.
This bill enables others to limit my ability to defend myself and others just like I did for 27 1/2 years.
Please kill this bill.

Thanks for your time
