

Chair Prozanski, Vice chair Thatcher:

My name is Michael Hammond and I am in opposition to SB554. Law abiding concealed carry citizens do not cause crimes or threaten or scare or create unsafe conditions to others. They might safeguard themselves or others or deter those that might harm innocents. This bill will probably disarm law abiding Oregonians and visitors to the State and create a confusing and unnecessary barrier for those that need to frequent these places of business.

Also, a felony charge if convicted is unfair and extreme.

This bill should not move out of committee.

Thankyou.
