

Honorable Chair Prozanski, Vice-chair Thatcher”

My name is Jim Mickel

“I come before you in opposition to Senate Bill 554”

As a licensed CHL carrier in Oregon and Utah with reciprocity in 39 states, having undergone background checks from Oregon State Police, the FBI, and the Department of Homeland Security I am concerned that this Bill has the potential to trap law abiding CHL carriers in a situation where it makes one commit a felony unknowingly,

CHL carriers are not the group of people who are committing gun violence, In fact there's thousands of incidents showing that CHL holders have stopped gun violence or other attacks and crimes against people

Passing this Flawed Bill will create a confusing patchwork of differing laws that will do nothing but turn law abiding citizens into felons,

I urge you to Kill this Bill

Thank you. Jim Mickel
