

SB 554

Hello,

This bill that You want to pass will only create felons out of the most lawful citizenry in the state of Oregon. CHL holders are as safe as police, and adhere to the law while at the same time reduce crime, not add to it. The mindset that you present with this bill is determined to eliminate CHL holders from carrying legally owned firearms for fear of possibly driving, walking, or even living in or passing thru a felony trap. This bill will not reduce crime. It seems to me, that this and other bills you plan to introduce in the very near future are designed to disarm the citizenry of Oregon... George Washington our very first President Said it Best "A Free People Ought To Be Armed". And, to continue with these foolishly designed edited preemption laws here in this state will only add to list of rights reserved only for the elites. It is wrong to essentially put the boot of government upon the neck of peaceful, law-abiding, liberty loving citizens here in Oregon. I thought that we live in the United States of America. IT IS STARTING TO FEEL LIKE I'M LIVING IN COMMUNIST CHINA!!! What next?

Truly,

Gary Chandler
