

Chair Prozanski, Vice chair Thatcher: My name is George M. Drake and I would like for you to kill Senate bill 554. This bill seeks to criminalize the carrying of a legally obtained and legally carried firearm. As you know, people who have a concealed carry license have passed numerous background checks and are historically some of the most law abiding citizens that live in our country. I cannot see where passage of this bill.554, will make anyone safer,anywhere. Again, please stop this onerous bill 554.

Thank you for your time

Sincerely, George M. Drake
