

Senate Committee On Judiciary and Ballot Measure 110
Senate Bill 554
Chair Prozanski, Vice-chair Thatcher,

My name is Charles Storey, I come before you in opposition to Senate Bill 554.

After reading this bill I have seen nothing that would appear to me as having any impact on lowering crime or providing protection to the citizens of Oregon.

As Senators and Lawyers, I feel you already knew this. So the question is why would you seek passage of this bill? It certainly appears to be a political ploy to impose more gun control following your political ideology, not necessarily the people of Oregon you represent, with probably the exception of special interest groups lobbying you for its passage.

I urge you to not pass this bill. It is not good for the people of Oregon who have no funds to lobby for your votes.

Charles Storey
Sublimity, Oregon.
