

Chair Prozanski, Vice-chair Thatcher,

My name is Darren Davidson. I come before you in opposition to Senate Bill 571. People convicted of felonies and serving out the sentence have given up their rights to vote by their own choice to commit a crime. We should not allow a change to this in our society. As a nation and society of laws we need to continue to enforce our laws and hold citizens accountable to the laws.

I urge you to kill this bill.

Thank you for your attention to this matter.

Respectfully,

Darren Davidson
