

My wife and I are against this bill and any other restriction of our rights under the constitution. Restrictions to concealed carry will only put lawful citizens at risk of harm from criminals and/or make criminals of law biding citizens. Our family has been impacted by a criminal that murdered my brother & his wife. My brother was unarmed & the criminal illegally obtained the firearm. Criminals can obtain firearms illegally any time they choose & do not follow laws or restrictions. Anything proposed will only put us lawful citizens at risk.
